

# INDUSTRY SHARING SESSION ON COMBINED BP/CD AND ST/CS PLANS SUBMISSION

*Reduce Industry touch-points & Streamline work processes*

**20 OCT 2022 • 3:00 PM – 4:30 PM • COMPLIMENTARY WEBINAR**

The objective of this webinar is for industry to gain better understanding & clarity on regulatory submission requirements for the combined BP/CD and ST/CS plans (effective 1 Jan 2023). This will help to streamline the submission process as well as reduce the efforts and touch points for both Architects and Engineers, leading to increased productivity and synergy.
