

21 Oct 2024

Dear industry practitioner,

Following the implementation of CORENET X for regulatory plan submissions, BCA has updated the standard plan certifications and they are available at the [BCA website](#). The new standard plan certifications will be applicable from 1 November 2024.

<b>Submissions</b>	<b>Implementation date</b>
New projects in CORENET X or CORENET 2	1 Nov 2024 onwards
Existing projects in CORENET X or CORENET 2 should adopt the updated certification by 1 April 2025	

Regards,

Building Engineering Group

Building and Construction Authority (BCA)
