Dear Sir / Madam

(A) STREAMLINING COMMUNICATION CHANNELS & CENTRALISING QUERY MANAGEMENT

As part of LTA's continuous effort to enhance communication and service delivery, we are updating our channels for handling industry queries and clarifications. From **20 Jan 2025**, all industry queries shall be directed via email to LTA-DBC_Registry@lta.gov.sg and to the relevant LTA officers overseeing the development project. At the same time, LTA officers' contact numbers will no longer be displayed on the LTA website.

These changes aim to streamline communication by centralising queries through email and our dedicated mailbox: LTA-DBC_Registry@lta.gov.sg.

BENEFITS OF A CENTRALISED MAILBOX

This centralised approach will:

- Improve query tracking and management
- Lead to more efficient and effective responses
- Provide more consistent and timely support

We aim to respond to straightforward queries within 3 working days. Allow up to 10 working days for complex queries. However, we encourage the use of the use of the resources available in the LTA's website before sending us an enquiry. The answers to most technical and submission related queries can be found there. The resources can be accessed by scanning the QR code below.

(B) MANDATORY USE OF CONSULTATION REQUEST FORM FOR ORGANISED EMAIL CONSULTATIONS

2. In Aug 2024, LTA introduced the use of a consultation request form as an avenue for more structured clarifications and consultations. From **20 Jan 2025**, all email enquiries, clarifications and consultations must be accompanied with a completed consultation form. This includes pre-submission consultations submitted via CORENET 2.0 and CORENET X.
3. The completed form and supporting documents are to be emailed to the DBC Officer-In-Charge (OIC) overseeing the project, with a carbon-copy (cc) to LTA-DBC_Registry@lta.gov.sg. Please allow for up to 10 working days upon confirmation of receipt of the request form for LTA to evaluate the proposal with the relevant divisions.
4. The consultation form can be found on the LTA website via [Consultation Form](#). Alternatively, you may scan the QR code below:
